

TB VOLUNTEER HONORED—Mrs. A. W. Warnock, 1413 13th St., San Pedro, was honored as typical California TB volunteer at the recent meeting of the National Tuberculosis Association held in Cincinnati. Dr. James E. Perkins, left, managing director of the NTA, looks on while a certificate of appreciation is presented to Mrs. Warnock by Herbert C. De Young, president of the national Christmas Seal organization.

KIND WORDS

Kind words never die—they just become victims of ingratitude.

Polio Clinic Slated Here

Have you been complaining that Polio clinics are too far from home? Then take advantage of the clinic coming to the Van Deene Ave. School auditorium, 826 West Javelin. This is being co-sponsored by the Van Deene Ave. PTA and the March of Dimes.

It will be held June 16, between 6:30 p.m. and 8:30 p.m. Each shot will be a dollar donation.

Remember polio booster shots are still needed each year even after the three shot series. If more than a year has elapsed since these, the series should be repeated. Two follow-up clinics will be held June 30 and July 28 so that the three required shots may be had. Tetanus shots will be available also.

SHADES OF COLOR

Bring a bright new view to your room by making window shades out of a gay, summery fabric.

Using your old shade as a pattern, measure length you want new shade to be, suggests the June Seventeen. Add one inch for a top hem, two inches for a bottom hem. Measure width and allow two and a half inches for side hems. Hand-stitch a one-inch hem on each side of shade and a half-inch top hem. Make a one and three-quarter inch bottom hem, leaving the ends open to insert the bottom slat. Staple top hem to your shade roller.
